## Fun and interesting subscription ideas

### Science Expeditions

Science Expeditions by Little Passports is a monthly subscription package that brings to life real-world STEM-related concepts, exploring monthly themes such as magnetism, forensics, rockets and more. The kit aims to extend a child's science education beyond the classroom, and inspire kids to learn through curiosity and hands-on experiments. Designed for kids ages 9 and older and featuring Little Passports' popular characters Sam and Sofia, Science Expeditions monthly themed packages will include a guide and materials for hands-on science experiments, a 16-page comic book with a glossary and bonus activities, a new mystery to solve with Sam & Sofia, achievement badges, plus access to bonus online videos and science content. Science Expeditions are sold in monthly, 6-month, and 12-month subscription options, starting at \$17.95 per month at [littlepassports.com](http://littlepassports.com)

### Wee Blessing children's styling service

Wee Blessing is a professional children's styling service tailored to your taste, budget and lifestyle that helps you feel your best and gives you back what matters most - your time! Wee Blessing provides parents and children hand-picked outfits for newborns to children aged 14 from the most-popular and top name brand companies for 40-80% off retail price. You pick the box that works best for you. Here's how it works: Fill out the personal style profile with your child's name, clothing size, favorite colors, princesses, superheroes and more, then choose a one-time service, monthly or quarterly box that all come complete with four outfits. You will only be charged for what you keep and a flat \$9.95 shipping and handling fee. You will not have to pay return shipping or restocking fee. If you decide to keep all four outfits, Wee Blessing will give you an additional 10% off. Available at [weeblessing.com](http://weeblessing.com)

### Kidstir's Taco Truck Fun Kit

Do you have a budding chef at home, or know of one? Kids can now make chef-inspired recipes at home with ease - all while learning Español, practicing math skills, and more! Available without a subscription from an innovative subscription service for children, the Taco Truck Fun Kit, \$19.95 from Kidstir, will turn your kitchen into a lunch truck.

In this kit, children will find out how to make three Mexican recipes, including Guac & Roll, Food Truck Tacos, and Arroz con Leche. They will also discover fun facts about avocados and peppers, learn some Español, and practice menu math.

The subscription service can be joined or given as a gift, or you can send one of the single kits, as well.
